# Chocolate Peanut Butter Squares

A layer of creamy sweet peanut butter topped with a layer of chocolate, reminiscent of Reese's peanut butter cups

Yield:

24 squares

Ingredients:

1/2 cup (1 stick) butter

2 cups creamy peanut butter\*

1 1/2 cups graham cracker crumbs

3 cups powdered (confectioner's) sugar

1/2 cup (1 stick) butter (in addition to butter listed above)

12 ounces (2 cups) semi-sweet chocolate chips

Instructions:

1. Melt 1/2 cup butter in medium saucepan over low heat. Remove from heat and stir in peanut butter, confectioner's sugar, and graham cracker crumbs. This will make a stiff "dough".

## Quick and Easy Breadsticks

Quick and simple buttery bread sticks – garlic or cinnamon recipe variations included!

Yield:

8 servings

## Ingredients:

1/4 cup (1/2 stick) butter or margarine  
1 tablespoon oil  
3 cups flour (I use part whole wheat, part unbleached)  
1 teaspoon salt  
1 tablespoon baking powder

\*\*See additional notes for ingredients and instructions to make garlic breadsticks or cinnamon breadsticks from this recipe!

## Instructions:

1. Preheat oven to 425 degrees. Place butter and oil in 9×13 pan and put in oven so butter melts as the oven heats up. Be careful not to let it burn!
2. Stir dry ingredients together, and gradually add milk, stirring until dough forms and leaves sides of bowl. I don't bother to actually measure out the milk – just add it gradually until there's enough.
3. Knead 5-6 times in bowl; place on floured countertop and roll out into 9×13-inch rectangle.
4. Lay dough in pre-heated 9×13-inch pan, atop the melted butter/oil. Cut into 1/2" strips. Bake at 425 degrees for 20 minutes.

# Chocolate Caramel Covered Matzos

Crunchy caramel-covered matzo squares drizzled with melted chocolate and sprinkled with nuts

Yield:

12 servings

Ingredients:

6 matzo squares

1 cup (2 sticks) butter

1 cup firmly packed brown sugar

1 cup (or more) semi-sweet chocolate chips or chunks

Optional: Chopped sliced nuts (almonds, peanuts, etc.) and melted chocolate for drizzling

Instructions:

1. Line two jelly roll pans with foil. Place a sheet of parchment or wax paper over the foil. Place matzo squares in

pans in a single layer.

2. In a 3-quart heavy saucepan, melt butter and brown sugar over medium heat. Cook and stir constantly until mixture boils. Boil and stir for 3 or 3.5 minutes. Remove from heat and pour over matzos, covering completely.

3. Bake at 350 degrees for 15 minutes. Keep an eye on the candy as it bakes to ensure that it doesn't burn; if it gets too dark, lower oven to 325 and put back in. However, the candy does need to bake (bubbly) for 15 minutes, or it won't be crunchy.

4. Remove sheets from oven to cooling racks. Sprinkle chocolate on top. Wait five minutes, then smear the soft chocolate chips/chunks over the matzos. Add nuts if using, and drizzle with more chocolate if desired.

5. Cool; then refrigerate or freeze (on the sheets if possible). Break into pieces and store in the refrigerator or freezer.

# Cream Cheese Butterhorns

A flaky crescent pastry with a cinnamon and cream cheese filling and icing glaze

Yield:

36 small pastries

Ingredients:

2 cups sifted flour

1/4 teaspoon salt

2/3 cup cold butter

1 egg, lightly beaten

3/4 cup sour cream or plain yogurt

8 ounces cream cheese

1/2 cup powdered (confectioner's) sugar

1 teaspoon ground cinnamon

Icing Ingredients:

1 cup powdered sugar

1 tablespoon hot water

1/2 teaspoon vanilla

Instructions:

1. In mixing bowl, combine flour and salt. Cut in butter, until pea-sized lumps remain. Stir in egg and sour cream or yogurt just until mixed. Dough may still have some small butter lumps in it. Wrap dough in plastic wrap and chill.
2. With an electric mixer on high, beat cream cheese, powdered sugar, and cinnamon until well-combined.
3. Divide dough into three parts. On a lightly floured surface, roll each part into a 12 to 16-inch circle. Cut circle into 12 wedges. (I use a pizza cutter for this.)

4. Put a small amount (about a teaspoon or so) of cream cheese mixture at the wide edge of each wedge. Then roll each wedge, starting at the wide edge and ending at the point.

5. Place butterhorns point-side down on a lightly greased baking sheet. Bake at 375 degrees for 20-25 minutes, until lightly browned and fully cooked.

6. While butterhorns are baking, mix icing ingredients in a small bowl, until smooth. When butterhorns are finished baking, remove to a cooling rack and use a fork to drizzle icing over hot pastries.
