9 servings

Ingredients:

2 cups all-purpose flour

1/2 cup sugar

1 tablespoon baking powder

1/2 teaspoon salt

2 eggs

1/4 cup vegetable oil

3/4 cup milk

1 cup blueberries, cranberries*, raspberries, chopped strawberries, or finely-chopped apples

1/4 cup softened butter

1 teaspoon cinnamon

Instructions:

1. In a large mixing bowl, combine flour, sugar, baking powder, and salt.

3. Pour milk mixture into dry ingredients and stir. Fold in fruit.

4. Pour batter into a greased 8- or 9-inch square baking pan**.

5. Mix topping ingredients together (should be coarse

crumbs/lumps of topping) and sprinkle over batter.

6. Bake at 350 degrees for 50-60 minutes, until cake tests done in the middle. Cover cake loosely with foil if the top starts browning too quickly (I usually place foil over the cake after about 45-50 minutes).

7. Serve hot, or cool in pan. □

Additional Notes:

*We put frozen cranberries in a food processor for a minute or so, to chop them coarsely.

Milk Toast

A breakfast my mom served when I was growing up: Toasted homemade bread topped with milk and sugar!

1 slice homemade bread

1-2 teaspoons sugar or alternative

Instructions:

1. Toast bread until nicely browned, but not burnt (of course).
2. Lay toast in a soup bowl or plate with a slight edge. Pour milk over toast.
3. Sprinkle with sugar or whatever sweetener you prefer. (I like to use xylitol since it's healthy and tooth-friendly!)
4. Use a spoon to cut toast into bite-sized pieces and enjoy!

Whole Wheat Pumpkin Pancakes

Tender, moist, and deliciously spiced pumpkin whole wheat pancakes!

Yield:

18 small-medium pancakes

Ingredients:

1 1/2 cups whole wheat pastry flour

1 teaspoon baking soda

2 teaspoons baking powder

1/4 teaspoon salt

2 teaspoons ground cinnamon

1/4 teaspoon ground ginger

1/2 teaspoon ground nutmeg

1 1/3 cups buttermilk

1 cup mashed/canned pumpkin

2 eggs

1/2 cup sour cream

2 teaspoons vanilla extract

2 tablespoons brown sugar

Instructions:

1. In a large mixing bowl, whisk together the first 7 ingredients (dry). Set aside.

2. In a separate mixing bowl, whisk together the buttermilk, pumpkin, eggs, sour cream, vanilla, and brown sugar.

3. Add wet mixture to dry and stir gently just until a batter forms (can be lumpy).

4. Cook pancakes on a greased and pre-heated griddle or skillet. Ladle batter onto griddle, spreading it out slightly if needed.

Be sure to cook these long enough – they seem to take slightly longer than regular pancakes, so be patient! When they are done, however, they will be tender, moist, and deliciously fragrant!

Serve with hot maple syrup, brown sugar syrup, butter, or just enjoy plain! ☐

Whole Wheat Pumpkin Scones with Cinnamon Icing

Spiced pumpkin scones with cinnamon icing drizzled on top!

Yield:

8 scones

Ingredients:

1 cup whole wheat pastry flour
1 cup all-purpose flour*
1 1/2 teaspoons baking powder
1/4 teaspoon salt
1 teaspoon ground cinnamon
1/2 teaspoon ground nutmeg
1/8 teaspoon ground ginger
1/8 teaspoon ground cloves
6 tablespoons butter, sliced and chilled
1/3 cup pumpkin puree
1/3 cup heavy whipping cream
6 tablespoons brown sugar
2 teaspoons vanilla extract

Cinnamon Icing Ingredients:

1 cup powdered sugar
1 teaspoon ground cinnamon
1-2 tablespoons milk

Instructions:

1. In a large mixing bowl, whisk together the first 8 ingredients (dry). Cut in butter until coarse crumbs form.
2. In a smaller mixing bowl, whisk together the pumpkin, cream, sugar, and vanilla.
3. Add to dry mixture and stir just until mixture forms a thick dough. Use your (clean) hands to knead the dough once or twice, pressing it together. (For more tender scones, don't over-knead.)
4. On a lightly floured surface, form dough into a circle, about 3/4 inch thick. Use a knife or pizza cutter to cut circle into 8

wedges/triangles. Place wedges on an ungreased baking sheet, not touching.

5. Bake at 425 degrees for 15 minutes, until scones are lightly browned on the bottom.

6. Make icing by whisking together the icing ingredients, adding just enough milk to make a drizzling consistency. Icing can be drizzled over warm or hot scones, or brushed on.

Cranberry Almond Scones

Tender and flaky scones with cranberries and almonds, topped with a sweet crusty glaze

Yield:

8 scones

Ingredients:

2 1/8 cups all-purpose flour*
1/4 cup granulated sugar
1/8 teaspoon salt
1 1/2 teaspoons baking powder
1/2 cup (1 stick) cold butter, sliced
3/4 cup dried sweetened cranberries ("Craisins" or other brand)
1/4 cup sliced or chopped almonds**
1/2 cup heavy cream
1 egg
1 teaspoon vanilla extract
2 teaspoons almond extract
2 tablespoons heavy cream, for topping
sugar, for sprinkling

Instructions:

1.
In a large mixing bowl, whisk together the flour, sugar, salt, and baking powder. Cut in the butter. Stir in cranberries and almonds.
2. In a small bowl, whisk together the 1/2 cup cream, egg, and extracts. Stir into dry mixture, stirring just until moistened. Knead a few times, until a dough forms (don't over-knead).
3. On a lightly floured surface, form dough into a circle, about an inch thick. Cut into 8 wedges. (I use a pizza cutter to slice the dough.) Place wedges on an ungreased baking sheet.

Alternately, you can place the circle of dough onto the baking sheet before cutting, if you wish, and leave scones touching as they bake.

Increase the baking time as needed (probably 10-15 minutes

longer) if
you bake them this way.

4. Brush scones with the reserved 2 tablespoons of cream, and sprinkle with sugar.

5. Bake at 350 degrees for 20-25 minutes, until edges are lightly browned and scones are done inside. Cool on a wire rack. Delicious warm or cold, and maybe even better the next day! ☐

Additional Notes:

*Scones

pictured were made with 1 cup all-purpose flour and 1 cup + 1 tablespoon whole wheat pastry flour. Delicious either way!! ☐

**I buy whole almonds since they retain their nutrients better than pre-sliced or chopped. I chop mine in a food processor or run them through the Salad Shooter with a slicer attachment.

Lemon Scones with Sour Lemon Glaze

Flaky lemon scones, drizzled with a tangy lemon icing

Yield:

8 scones

Ingredients:

2 cups all-purpose flour

1/4 cup sugar

1/8 teaspoon salt

1 1/2 teaspoons baking powder

1/2 cup (1 stick) cold butter, cut

1 1/2 teaspoons lemon zest*

2 teaspoons freshly squeezed lemon juice

1/2 cup heavy whipping cream

1 egg

Icing Ingredients:

3/4 cup confectioner's sugar

1 1/2 tablespoons freshly squeezed lemon juice

Yellow food color, optional

Instructions:

1. In a large mixing bowl, whisk together the flour, sugar, salt, and baking powder. Cut in the butter.
2. In a separate bowl, whisk together the lemon zest and juice, cream, and egg.
3. Stir egg mixture into dry ingredients, just until a dough starts to form. Knead a couple times until the dough holds together.

4. On a lightly floured surface, gently press dough into a circle, about an inch thick. Cut into 8 wedges (I use a pizza cutter to quickly and neatly cut the wedges!).

5. Place scones on an ungreased baking sheet, not touching each other, and bake at 350 degrees for 25 minutes, or until edges are lightly browned. Remove from oven and let rest on the sheet for 5 minutes.

6. Prepare the icing by mixing the powdered sugar with enough lemon juice to make a drizzling consistency. Add a drop or two of yellow food color if desired.**

7. Place scones on a wire rack. Drizzle or brush icing over warm scones. These scones are delicious hot, but I think they taste even better the next day, when the lemon flavor has permeated the scone even more!

Easy Baked Apple Oatmeal

A creamy baked oatmeal with apples and cinnamon. Serve with milk for breakfast or with whipped cream for dessert!

Yield:

6-8 servings

Ingredients:

2 eggs

1/8 teaspoon salt

2 teaspoons cinnamon

1/2 cup brown sugar*

4 cups milk

2 cups old-fashioned rolled oats

2 large apples (2-3 cups), cored and diced**

Milk or whipped cream, for serving (optional)***

Instructions:

1. In medium-large mixing bowl, lightly beat the eggs. Stir in salt, cinnamon, brown sugar, milk, oats, and apples.

2. Pour mixture into a greased 9×13-inch baking dish. Bake uncovered

at 350 degrees for 40 minutes or until hot, bubbly, and mostly set in

the middle.

Serve warm in bowls with milk on top for a delicious breakfast, or

serve warm with whipped cream on top for a yummy healthy dessert!

Additional Notes:

This

recipe is very adaptable, so feel free to add some chopped walnuts, pecans, almonds, raisins, or even other fruits into the oatmeal before baking!

*Can substitute another sweetener of your choice, such as 1/2 cup sucanat, 1/4 cup honey, or 1/4 cup maple syrup.

**I don't peel my apples, but you can if you'd like.

***We use heavy whipping cream and make our own homemade whipped cream (see box for instructions) by beating with an electric mixer and a couple tablespoons of sugar.

For an even creamier baked oatmeal, add 1/4 cup of heavy cream into the mixing bowl when making this recipe!

I have also substituted water for part of the milk when I was low on milk, and it turned out great.

This Baked Apple Oatmeal recipe is my adaptation of Kristin's Baked Apple Pie Oatmeal. Kristin created her recipe and it is really super good so be sure to go see hers! I only made a couple small changes to the ingredient list, and simplified the directions to make this even easier than it already was!
