

# Fresh Tomato Salsa

Easy and delicious fresh tomato salsa with onions, jalapenos, and cilantro

Yield:

8-10 servings

Ingredients:

6 medium-large ripe tomatoes

1 large sweet onion

a handful of fresh cilantro

juice of 1 fresh lime OR 1/2 fresh lemon

2-3 fresh jalapeno peppers

salt to taste, optional

Instructions:

1. Wash, core, and dice tomatoes. Chop onion and cilantro.
2. Finely chop the fresh jalapeno peppers. For less heat, you can remove the seeds and ribs of the jalapenos. Jalapenos vary in heat so I like to add smaller amounts and taste, to avoid making salsa that is too hot for my tastes. ☐
3. Combine the tomatoes, onions, jalapenos, cilantro, and lemon or lime juice. Allow to rest for 30-60 minutes for flavors to combine. Add salt if desired. Serve with corn tortilla chips or with your favorite Mexican foods (tacos, burritos, nachos, pinto beans, etc.).

3. Evenly spread about 1/4 cup of the warmed refried beans over a cooked corn tortilla. Place a hard taco shell inside and wrap with the tortilla, so that the beans are a layer between the hard shell and soft tortilla.

## Whole Wheat Flour Tortillas

Soft and delicious homemade whole wheat flour tortillas, perfect for fajitas or soft tacos!

Yield:

about 1 dozen (8-inch) tortillas

Ingredients:

3 cups whole wheat flour\*

1 teaspoon baking powder

1 teaspoon salt

2 tablespoons shortening\*\*

1+ cup hot water (enough to make a workable dough, as hot as you can stand to touch)

Instructions:

1.  
In a large mixing bowl, whisk together the flour, baking powder, and salt. Add the shortening and mix with a fork or pastry blender until incorporated into small crumbs.
2. Add hot water, stirring to make a thick dough. Knead with hands until a smooth, not-too-sticky dough forms.
3. Separate dough into balls about 2 1/2 inches in diameter. Allow balls of dough to rest on the counter, covered with a clean towel, for a few minutes.
4. Using heavy skillets (like cast iron) or a griddle, have two burners heating – one at a medium-low temperature and one at a medium-high temperature. Roll each ball into an 8-inch circle. (Use a little flour during rolling if necessary.)
5. To cook tortillas, first use the lower temperature burner to heat the tortilla on both sides, until tortilla is cooked but not browned. Then, move the tortilla to the hotter burner and cook for a couple more minutes, until both sides are browned and tortilla is hot.\*\*\*
6. Stack tortillas under clean towels to keep them warm as you finish cooking the rest of the tortillas.

Tortillas will be somewhat thick, and great for fajitas, soft tacos, or served for breakfast filled with eggs and toppings (cilantro, jalapenos, tomatoes, green onions, leftover fajita meat,

etc.).

Leftover tortillas should be stored in an air-tight bag or container, and can be re-warmed in the microwave or oven (wrapped in foil).

## Grilled Pizza

Delicious grilled thin-crust pizza: homemade crust and your favorite toppings!

Yield:

Four 10-inch pizzas, about 8 generous servings

Ingredients:

Crust Ingredients:

1 cup warm water

1 teaspoon salt

2 tablespoons oil  
3 cups flour\*  
1 tablespoon dry yeast

Oil and salt, for brushing crusts

Toppings of your choice:

–about 1/4 cup pizza sauce for each pizza

–about 6 ounces (1.5 cups) shredded mozzarella cheese for each pizza

Pepperoni, chopped onions, diced peppers, crushed red pepper, sliced olives, etc.

Instructions:

1.  
Prepare dough by mixing the warm water, salt, oil, and yeast in a medium-sized mixing bowl. Stir in flour. Knead with clean hands, adding more water if necessary to form a smooth, elastic dough. Dough shouldn't be too sticky, since it will need to hold together when rolled out into a crust.

You can also make the dough in a bread machine. Add crust ingredients in order listed and start machine on the dough setting. Add additional water if needed as the machine operates, scraping sides of the pan if needed, until a smooth dough has formed.

Allow dough to rest for 5-10 minutes, covered.

2. Separate dough into four parts. On a lightly-floured surface, roll each piece of dough into a 10-inch circle.

3. Pre-heat grill to medium-high. Brush one side of the rolled dough with oil and sprinkle lightly with salt. Place crust, oiled-side-down, on the pre-heated grill.\*\* Grill with lid open until bottom is browned, about 3-5 minutes.

4. Remove crust from grill and place on a metal baking sheet (or other heat-safe surface). Brush the top (the side that hadn't been grilled yet) with oil and sprinkle with salt. Flip crust over.

5. With the grilled side facing up, place toppings on grilled side, being careful to not overload with toppings since the crust is fairly thin.

5. When toppings have been added, return pizza to the grill, with the second oiled side down and the toppings facing up (of course! haha). Grill with the lid closed for 5-6 minutes on high, until crust is browned and cheese is melted.

Remove from grill, cut, and serve hot! Yum! ☐

# Italian Baked Spaghetti Squash

Spaghetti squash stuffed with a cheesy Italian tomato filling!

Yield:

4 servings

Ingredients:

- 1 large spaghetti squash (about 2 pounds)
- 1 cup (4 ounces) shredded cheddar cheese
- 1 cup (4 ounces) shredded mozzarella cheese
- 1 cup diced green bell pepper\*
- 2 cups tomato sauce\*\*
- 1/2 teaspoon dried oregano
- 1/2 teaspoon garlic powder
- 1/2 teaspoon sugar
- 1/2 teaspoon salt

dash of pepper

1/2 cup Parmesan cheese, for topping

1 cup (4 ounces) mozzarella cheese, for topping

Instructions:

1.  
Cut squash into halves lengthwise; scoop out seeds. Place cut side down in 2 inches of simmering water in a heavy stock pot or saute pan. Cover and simmer for 15 minutes. Drain.

2. In a large mixing bowl, combine the cheddar and mozzarella cheeses, peppers, tomato sauce, and spices (except Parmesan and additional mozzarella). Stir to mix.

3. Holding hot squash with a potholder or oven mitts, run the tines of a fork across the pulp to release the "spaghetti". Place "spaghetti" in the large mixing bowl of cheese, sauce, and spices. Stir to coat.

4. Spoon squash back into the two squash shells and place in a baking dish. Sprinkle with additional mozzarella and Parmesan cheeses. Bake at 350 degrees for 20 minutes or until hot in the middle.

If squash shells are tender, they are edible along with the filling. We don't usually eat all of the shell, though, since the filling is the best part! ☐

## Creamy Macaroni and Cheese

A homemade baked macaroni and cheese with a flavorful and creamy sauce

Yield:

8 servings

Ingredients:

16 ounces elbow macaroni or small shell pasta

1/8 teaspoon cayenne pepper

1/4 teaspoon granulated garlic or garlic powder

1/2 teaspoon mustard seeds, crushed\*

20 cranks of black pepper (or 1/8-1/4 teaspoon ground)

1/4 cup (1/2 stick) butter

1/4 cup all-purpose flour

3 cups milk

1 cup heavy whipping cream

1/2 tablespoon dried parsley

1 teaspoon salt

2 eggs

12 ounces (3 cups) shredded cheddar cheese

8 ounces (2 cups) shredded mozzarella cheese

Additional cheddar, parmesan, or bread crumbs\*\* for topping

Instructions:

1.  
Cook pasta according to package instructions. Drain and rinse with cool water. Place pasta in a large mixing bowl and set aside.
2. In a large sauce pan, combine cayenne, garlic, crushed mustard, black pepper, and butter over medium heat. When butter starts to sizzle, add the flour and stir until mixed and bubbly.
3. Add 2 cups of the milk and whisk with the butter mixture over medium heat until thick and bubbly. Whisk constantly to avoid lumps or scorching.
4. Turn off heat and whisk in remaining 1 cup of milk and the cup of cream, along with the parsley and salt.
5. Crack eggs into a separate mixing bowl and whisk briskly, until they are no longer very "stringy". Whisking constantly, pour a half cup of the hot creamy sauce in with the eggs. Continue whisking and adding sauce to the eggs, until you've added about 2 cups of the sauce in with the eggs. Then pour the eggs into the saucepan with the rest of the sauce, whisking to incorporate.

6. Pour the sauce over the pasta in the large mixing bowl. Stir to combine. Stir in shredded cheeses. Spread into a lightly greased baking dish.

This recipe makes a very full 9×13-inch dish, so you can also divide it between a couple dishes for a thinner layer (I like to do a 9×13 dish and an 8×8 dish).

7. Sprinkle top with parmesan cheese, shredded cheddar cheese, or bread crumbs. Bake uncovered at 325 degrees for about 45 minutes, until hot and bubbly.

This casserole can be made ahead and stored in the fridge for a couple days before baking. If it's been in the fridge a couple days, however, you may need to drizzle about 1/2 cup of additional milk over top before baking, as the pasta tends to absorb more liquid as it sits.

4 large servings

Ingredients:

1 cup diced onion

1/2 tablespoon butter or oil

10 ounces fresh spinach leaves\*

1 1/2 cups small curd lowfat cottage cheese

1/4 cup grated Parmesan cheese

4 ounces (1 cup) shredded mozzarella cheese

2 large eggs

1/2 cup bread crumbs\*\*

1/2 teaspoon salt

1/4 teaspoon ground black pepper

1 teaspoon dried basil

1 teaspoon dried oregano

3. Grease the inside of a deep baking dish (that will hold your 4 peppers). Spoon 1/2 cup of the pasta sauce into the bottom of the dish.

4. Spoon 2 tablespoons of pasta sauce into the bottom of each pepper. Fill peppers with the spinach-cheese filling mixture, heaping it up if necessary. Place filled peppers into the prepared dish.

5. Spoon an additional 2 tablespoons of sauce over each pepper. Cover dish with a lid (if your dish has one) or, butter the underside of a sheet of foil and tent to cover peppers.

6. Bake at 350 degrees for 1 hour, covered. Uncover and reduce heat to 300 degrees. Bake 30-45 minutes longer, until peppers are tender and filling is slightly browned on top.

7. Remove from oven, allow to cool slightly, and serve with a sprinkling of shredded cheese on top if desired.
