

Baked Teriyaki Salmon

Slightly sweet teriyaki salmon that's simple to prepare and full of flavor!

Yield:

4 servings

Ingredients:

1 to 1 1/4 pounds fresh or frozen salmon fillets

1/2 cup teriyaki sauce

2 teaspoons olive oil

1 clove minced garlic (or 1/2 teaspoon garlic powder)

2 tablespoons finely chopped onion (or 1/2 teaspoon onion powder)

1/8 teaspoon black pepper

Dash of crushed red pepper flakes, optional

2 tablespoons sesame seeds

1 teaspoon brown sugar

For serving:

Cooked rice or rice noodles and vegetables or stir-fried vegetables of your choice

Instructions:

1.
In a gallon-size ziplock bag, combine the teriyaki sauce, oil, garlic, onion, pepper, red pepper (if using), and sesame seeds. Squeeze the bag a little to mix everything together.
2. Add the salmon fillets (fresh or still frozen) in a single layer.
Remove excess air from bag, seal, and make sure fillets are covered on both sides in the marinade.

3. Put salmon in the fridge to marinate for a few hours (if fresh) or for a day or two to thaw/marinate (if still frozen).

4. When you're ready to cook the salmon, remove the fillets from the bag and place them in a shallow dish* in a single layer (skin side down if the salmon has skin). Pour 1/4 to 1/3 cup of the marinade over the fillets, and sprinkle the teaspoon of brown sugar over the tops.

5. Bake in a preheated oven at 350 degrees for 20 minutes, or until salmon flakes with a fork (145 degrees internal temperature). Don't bake too long, or salmon will be dry!

Serve hot (immediately) with rice or rice noodles, and/or stir fried vegetables.

Additional Notes:

*I highly recommend mixing up a batch of this homemade spice

mix called Jamie's Spice Mix. It's delicious on so many foods! However, if you just want the seasoning for this meatball rice medley, you can use these measurements:

1/2 tablespoon onion powder or granulated onion
1/2 tablespoon garlic powder or granulated garlic
1 teaspoon smoked paprika
3/4 teaspoon dried basil
3/4 teaspoon dried oregano
3/4 teaspoon salt
1/2 teaspoon freshly ground black pepper
1/4 teaspoon celery seeds
1/8 teaspoon cayenne pepper

**I usually "cheat" and buy frozen Italian-style seasoned meatballs from Costco. You can use your favorite meatball recipe; anything Italian or spicy will go great with the other seasonings in this recipe.

Homemade Mocha Frappuccino

A cool and creamy mocha frappuccino that takes just minutes to make! Includes instructions for a dry mix (just add milk)!

Yield:

1 large serving (2 1/2 cups)

Ingredients:

2 cups milk*

2 tablespoons Dutch process baking cocoa (unsweetened)**

1 tablespoon instant coffee granules

2 tablespoons sugar or other sweetener (we use granulated xylitol)

Optional ingredients: See additional notes below

Instructions:

1. Pour milk in a blender.

2. Add remaining ingredients and blend first on low and then on high

for 1-2 minutes, until ingredients look uniform and combined.

(A longer

blending time will make a more frothy drink.)

3. Pour into a glass and serve!

Using 2 cups of milk will make about 2.5-3 cups of frappuccino after

blending. Since it uses baking cocoa, the cocoa does tend to fall to the

bottom of the drink after a bit. We use a straw to stir/drink.

You can also make this ahead and store in the fridge in a bottle/jar with a lid. Shake briefly before drinking. ☐

Homemade Hot Chocolate Mix

A pre-made dry mix for hot cocoa; just add hot water and enjoy!

15 servings

1 cup granulated sugar

1/2 cup unsweetened baking cocoa

1/2 cup dry non-dairy creamer*

dash of salt

Instructions:

1. Combine all ingredients and stir well to mix. Store in an airtight container.

To serve, add 1/4 cup of mix to 8 ounces of hot water, adjusting to taste. Stir and enjoy!

Additional Notes:

*The non-dairy creamer is optional, though I prefer some kind of creamer added; so if you leave it out, consider adding a splash of heavy cream to your hot cocoa before drinking! ☐
