

Vanilla Raspberry Cheesecake

A smooth creamy cheesecake with a pink raspberry layer hiding inside

Yield:

12 servings

Ingredients:

Crust Ingredients:

1 cup graham cracker crumbs

4 tablespoons butter

2 tablespoons sugar

Cheesecake Ingredients:

24 ounces cream cheese, softened

1 1/4 cups sugar

3 eggs, at room temperature

1/2 tablespoon cornstarch

1/2 tablespoon cold water

1/2 tablespoon vanilla

1/2 cup sour cream

1 cup raspberries, mashed

1 tablespoon sugar

1/2 tablespoon cornstarch

1/2 tablespoon water

Instructions:

1. In small saucepan, heat raspberries with 1 tablespoon sugar until boiling.

2. In small bowl, mix 1/2 tablespoon cornstarch with 1/2 tablespoon water. Add to hot mixture, stirring quickly to avoid lumps. Set aside to cool.

3. In small saucepan, melt 4 tablespoons butter. Add 2 tablespoons sugar and the graham cracker crumbs. Mix thoroughly and then press into the bottom of a greased 8" springform pan.

3. In mixing bowl, combine cream cheese and sugar, stirring until smooth. Add eggs one at a time, mixing gently with each addition.

4. In small bowl, mix 1/2 T cornstarch with 1/2 T water. Add to cream cheese mixture and stir.

6. Pour 1/2 of vanilla batter into prepared pan, covering the crust.

Carefully spread the raspberry batter on top, using a ladle or wide spoon. Finish by carefully spreading the rest of the vanilla batter on top.

7. Bake at 350 degrees for 30 minutes. Move temperature down to 325 degrees, cover loosely with foil, and bake 45 minutes longer.

8. After your cheesecake is finished baking, turn off oven, open the oven door, and allow to cool in oven for 15 minutes before removing to cooling rack. Chill at least 4 hours before serving.

Foolproof Pie Crust

Flaky pie crust that complements any kind of pie

Yield:

3 pies with tops*

Ingredients:

2 1/4 cups all-purpose flour

1 3/4 cups whole wheat flour**

1 3/4 cup butter or shortening (shortening will make the flakiest crust)

1 tablespoon sugar

2 teaspoons salt

1 tablespoon vinegar

1 egg

1/2 cup cold water

Instructions:

1. In a mixing bowl, mix flour, salt and sugar. Cut in butter until pea-sized lumps remain.

2. In a separate bowl, beat vinegar, egg, and water. Add to

flour/butter mixture and stir/mix just enough to make a dough.

Mixture

will be sticky still. Cover with plastic wrap and refrigerate for at

least 15 minutes. (I usually refrigerate for an hour or more.)

3. Roll into shape (on floured surface) and use with fruit, pumpkin,

or any pie requiring an unbaked crust. For pies requiring a pre-baked

crust, bake at 425 degrees until slightly browned.

Additional Notes:

*This

recipe will make three medium-thickness 9-inch pie crusts (including

tops). If you like a thicker crust, it will do 2 pies with tops. If you

roll really thin, you can get 4!

**Pastry flour works best; now that we have a wheat grinder, I like

to use 100% whole wheat pastry flour in this recipe for a flaky, tender

crust. The pastry flour is made with soft wheat (rather than hard wheat)

and ground extra fine.Â

Dough can be refrigerated up to three days or frozen until ready to use.

I use butter instead of shortening, but only for health reasons, not culinary reasons! Shortening will make the flakiest, most tender crust!!

Strawberry Pie

Triple Chocolate Cream Pie

A thick layer of silky chocolate cream sandwiched between a crunchy chocolate crust and thin chocolate shell

Yield:

10

Ingredients:

Crust (alternate: two 8" graham cracker pie shells)

1 cup chocolate graham cracker crumbs *

2 Tablespoons sugar

4 Tablespoons butter, melted

Filling

1/4 cup sugar

1/4 cup chocolate syrup

1 cup semi-sweet chocolate chips

8 oz. (1 package) cream cheese, room temperature

1 3/4 cups milk

3 oz. (1 package) chocolate pudding

8 oz. whipped cream or whipped topping

Topping

1/3 cup semi-sweet chocolate chips

1 1/2 Tablespoons butter

Instructions:

Crust

1.

If making your own crust grease a 8" or 9" springform pan. Mix the graham cracker crumbs * and sugar; add butter and mix. Flatten ** in your springform pan. Bake for 7 minutes at 350 degrees. Set aside to cool.

Filling

2. Place sugar, chocolate syrup, semi-sweet chocolate chips, and cream cheese in a sauce pan on the stove (preferably with the cream cheese on bottom) and cover for 15 minutes.

3. In a separate dish mix pudding mix and milk.

4. Stir the cream cheese mixture until fairly homogenous; add cream cheese mixture to pudding and mix with electric beater.

5. Add whipped cream – but do not overbeat!

6. Well grease the sides of the springform pan again (this helps prevent the filling from sticking to the pan).

7. Pour mixture into springform pan or pie crusts.

8. Freeze for 4 hours, or preferably overnight.

Topping

9. Add butter and chocolate chips to a small sauce pan on low. Stir.

10. Once mixture is melted and smooth remove from heat and allow to cool for 5 minutes.

11. Pour over the top of the triple chocolate pie and spread evenly over the top using a spatula.

12. Return to freezer for at least 10 minutes to allow chocolate shell to harden.

13. You may need to use a thin, narrow spatula around the edges to help loosen the pie from the springform pan.

14. Once removed from the springform pan you can return any leftovers to the freezer. Simply cover in plastic wrap.

Additional Notes:

* If using graham crackers, place them in an empty cereal bag and roll with a rolling pin to create crumbs.

** Small spatulas / pancake turners are an excellent tool to get an even and flat crust.

*** Cutting out a piece of wax paper and placing at the bottom of the springform pan can make removal later much easier.

**** The dish is most easily sliced when thoroughly frozen; likewise the thin chocolate shell is most easily broken with a fork when the dish is served cold directly from the freezer, although some people do prefer the dish to slightly warm to give it a creamier texture.

**

Additional Notes:

* If you do not have sure gel/clear jel, you can substitute corn starch.

Tapioca Pudding

My mom's old-fashioned recipe for a super easy and very delicious tapioca pudding!

Yield:

about 2 quarts

Ingredients:

9 tablespoons granulated/instant/Minute tapioca*

1 cup sugar

1/2 teaspoon salt

3 eggs, beaten well

8 1/4 cups milk

1 tablespoon vanilla extract

Instructions:

1.
In a large stock pot, whisk together the tapioca, sugar, salt, and eggs. Whisk in milk and let mixture stand for 5-10 minutes.
2. Bring mixture to a full boil, stirring constantly. Remove from heat and add vanilla.
3. Allow to cool for 20 minutes and then stir once. Cover until cool, or serve warm! Refrigerate leftover pudding in an air-tight container.

Additional Notes:

*From

what I understand, granulated, instant, quick-cooking and Minute

(brand) tapioca are the same for use in recipes. I get my granulated

tapioca at a bulk food store. It looks similar to coarse

kosher salt,
with some crumbs. □

This tapioca pudding recipe was originally found many years ago on a paper of recipes titled "Bulk Food" which my mom picked up while visiting Smith's Bulk Foods, a Mennonite (or Amish?) owned store near Dalton, Ohio.

1/2 cup (packed) brown sugar
1/2 cup flour

2 cups rolled ("old fashioned") oats

Instructions:

1. In a large bowl, toss the fruit with the sugar, flour, and vanilla. If using fresh blueberries, toss gently! ☐
2. In another bowl, mix with a fork the butter, brown sugar, flour and cinnamon. Mix in oats last, using clean hands if needed.

Additional Notes:

- *Can substitute frozen sliced rhubarb.
- **Frozen blueberries work as well. ☐

Blueberry Streusel Muffins

Sweet streusel-topped blueberry muffins

Yield:

12-15 muffins*

Ingredients:

Muffin ingredients:

2 cups flour

1/2 teaspoon baking soda

dash of salt

1 teaspoon cinnamon

2 eggs

1/2 cup oil

1 cup sour cream

1 teaspoon vanilla extract

1 cup brown or white sugar

2 cups fresh or frozen whole blueberries

Streusel topping ingredients:

1/4 cup (1/2 stick) softened butter

1/4 cup brown or white sugar

1/4 cup flour

1 teaspoon cinnamon

3/4 cup rolled oats

Instructions:

1. In a large mixing bowl, whisk together the flour, soda, salt, and cinnamon. Set aside.

2. In a separate bowl, briskly whisk the eggs, oil, sour cream, vanilla, and sugar. Add to dry ingredients and stir just until moist.

Gently stir in blueberries.

3. To make streusel topping, combine butter, sugar, flour, and cinnamon in a mixing bowl and press with a fork to mix. Add oats and mix until coarse crumbs form.

4. Fill greased or paper-lined muffin pans 2/3 or 3/4 full of batter.

Sprinkle about 2 teaspoons of streusel topping on each muffin.

5. Bake in a pre-heated 400 degree oven for 20-23 minutes, until done. Cool in pan for 5 minutes and then remove and cool on wire racks.

Additional Notes:

*If lining muffin cups with paper liners, this recipe will make 15 or so muffins. Directly in the pan it makes a full dozen. □

These muffins remove very easily from a greased muffin pan, if you cool for 5 minutes in the pan.

I used dark brown sugar in my muffins, which is why they look rather dark in these photos. That, and the blueberries gave the batter a purple hue as well! ☐

Peanut Butter Popcorn

A sweet candy-coated popcorn with honey and peanut butter!

Yield:

About 14 cups or 14 large popcorn balls

Ingredients:

1 cup honey

1 cup sugar

1 cup peanut butter (creamy or crunchy)

1/2 cup popcorn kernels, popped (about 16 cups of popped

corn)*

Instructions:

1.
In a heavy 3 or 4-quart sauce pan, melt sugar and honey, stirring frequently. Bring to a boil and boil 5 minutes. Stir constantly with a spoon that won't melt! I use a wooden spoon. ☐ Be sure to boil for a full 5 minutes, or the sugar coating will be rather sticky even after the popcorn has cooled.
2. Remove sugar mixture from heat and stir in peanut butter.
3. Pour the peanut butter mixture over popcorn in a large bowl, tossing gently to coat.
4. Spread popcorn on wax paper to cool, or form into popcorn balls and wrap in wax paper when cool. Store in an airtight container.
