Grilled Scalloped Potatoes

Quick and easy, these creamy grilled scalloped potatoes are flavorful and colorful!

Yield:

6-8 servings

Ingredients:

3 cups very thinly sliced peeled potatoes*

1 cup very thinly sliced carrots

1 cup thinly sliced onion

3/4 cup mayonnaise, Miracle Whip salad dressing, OR sour cream**

4 ounces (1 cup) shredded mozzarella cheese

1/2 cup grated Parmesan cheese

1/2 tablespoon dried parsley

1 teaspoon salt

dash of pepper

Instructions:

1.
Preheat grill (we pre-heat our Weber Q grill on HIGH for 10 minutes).
While grill is heating, combine the mayonnaise, cheeses, parsley, salt, and pepper in a large mixing bowl, stirring to mix well. Stir in the potatoes, carrots, and onion, coating with the creamy mixture.
2. Pull out two long pieces of heavy-duty aluminum foil (or use a double layer of regular foil if you don't have heavy-duty foil) – about 20 inches each in length. Spray foil with oil or grease with butter.
3. Spoon potato mixture evenly in the two foil pieces and bring up sides, folding to seal while leaving some air space in the foil if possible. Crimp ends and fold to seal.
4. Grill potato packets at MEDIUM heat for 15 minutes, using the top shelf of the grill (if your grill has a top shelf – ours doesn't). Turn packets over and grill 15 minutes longer, until potatoes are tender. Serve hot! □

Greek Spinach Orzo Salad

Fresh

spinach leaves tossed with orzo pasta, fresh tomatoes, red

onion,
olives, feta cheese, and a light homemade vinaigrette dressing
for a
colorful and flavorful side salad or lunch!

Yield:

8 servings or 12 side servings

Ingredients:

Salad Ingredients:

8 ounces dry orzo pasta

8 or 9 ounces fresh baby spinach

1 small red onion, halved and thinly sliced (or half a large one)

1 1/2 cups chopped fresh tomatoes

1 cup (or a 6-oz. jar) pitted Kalamata olives, quartered or halved

1 1/2 cups feta cheese, crumbled

1 cup of your favorite vinaigrette dressing OR use the recipe below

Vinaigrette Ingredients:

3 tablespoons lemon juice

1 tablespoon red wine vinegar

2 tablespoons honey

1/2 teaspoon oregano

2 cloves garlic, minced

1 teaspoon salt

1/4 teaspoon ground black pepper

1 teaspoon lemon zest (optional but tasty)

1/3 cup olive oil

Instructions:

1. Cook the orzo according to package instructions for al dente. Drain and rinse pasta under cold water to cool. Set aside.

2. Make vinaigrette by combining all vinaigrette ingredients in a blender or jar with tight-sealing lid and blend or shake until dressing is mixed well.

3. In a large mixing bowl, combine the drained/cooled orzo, spinach, onion, tomatoes, olives, and feta. Stir dressing into salad to coat well. Stir more than you think you need to...it will help "wilt" the spinach a bit.

Serve at room temperature or chilled.

This salad will keep for a couple days in the fridge, but is best consumed within 24 hours.

Cauliflower and Broccoli Salad

A colorful crunchy salad of cauliflower and broccoli florets, onion, and carrots tossed in a sweet poppy seed vinaigrette dressing
Yield:

8-12 servings

Ingredients:

1 head of cauliflower (about 2 pounds)

1-2 bunches of broccoli (about 1 pound total before trimming)

3 ribs celery, sliced (about 3/4 cup sliced)

1/2 red onion (or onion of your choice), sliced or chopped (about 3/4 cup sliced)
2 carrots, washed and thinly sliced
1/2 green bell pepper, chopped (optional)

Dressing Ingredients:

1/2 cup pure maple syrup*
2 teaspoons dry mustard powder**
1/2 cup light olive oil or oil of your choice
1 1/2 teaspoons salt
1/2 cup Balsamic vinegar
2 teaspoons poppy seeds

Instructions:

1.
Wash cauliflower, remove stem and solid "heart" and cut into bite-size florets. You should end with about 1 1/4 to 1 1/2 pounds of florets after trimming (or around 8 cups of florets).
2. Wash broccoli and cut into bite-size florets, ending with about 3/4 pound of florets (about 5-6 cups).
3. Place the cauliflower and broccoli florets, celery, onion, carrots, and pepper (if using) in a large bowl.
4. In a medium mixing bowl, combine the dressing ingredients and mix. Pour over veggies and toss to combine and coat.

Chill salad for a few hours or overnight in the fridge before serving.

This salad keeps in the fridge well for several days. If using red onions, this salad is most attractive within about 24 hours of being made, as the onions will "bleed" and lose their color after a while.
